

AMI WIDE FORMAT AFTERMARKET INKS WARRANTY

Thank You For Your Purchase

There's no doubt you are going to be worried about our ink damaging your printer, especially your expensive print heads. Our ink is of the highest quality, MADE IN USA. We guarantee the ink is as good or better than the OEM and we stand behind the ink 100%. If you are not satisfied for any reason we will refund your money no questions asked. Should a bad batch of ink cause damage to your printer we accept full responsibility and will replace anything the ink touches (the print head, ink lines, and the dampers).

Abuse, misuse, accident, disaster, failure to clean nozzles, non-AMI authorized modifications, or use of fluids which were not manufactured or distributed by AMI will not be covered in the warranty.

Customers are responsible for freight both ways.
