

## AMI AFTERMARKET INKS WARRANTY

### Thank You For Your Purchase

AMI guarantees that the AMI Aftermarket fluid supplies delivered will meet or exceed the original equipment manufacturer's specifications and will be free of defects in workmanship or material under proper and normal use for a period of six (6) months from date of shipment.

This statement is in full compliance with FEDERAL TRADE COMMISSION regulations that prohibit manufacturers from stating that using another source of supplies will void the printer warranty, prohibit service to be rendered, or change/alter any existing maintenance agreement on subject equipment. The purpose for these FTC regulations is to prevent manufacturers from eliminating competition. Customers should be aware that manufacturers stating that NO OTHER inks can be used in units under warranty WOULD NOT be in compliance with the Federal Trade Commission on the grounds of unfair restraint of trade.
