Warranty May Be Void If Not Registered Within 30 Days

Thank You For Your Purchase.

Please take the time to register your machine so we have it in our warranty database.

Please make sure to register the machine with the information of the person and company that purchased the unit.

Unregistered machines may be subject to limited support.

FOR ALL EBS MACHINE MODELS LISTED BELOW:

EBS 250 Handjet & EBS 260 Handjet

All printer hardware has a 1 year warranty for wear and tear. All spare parts sold carry a warranty period of 90 days. This warranty is given only to the Buyer and is non-transferable.

Accessories and cartridges do not fall under this warranty. If any part sold and/or installed by Automated Marking, Inc becomes defective during the warranty period the item is to be returned to Automated Marking, Inc.

Abuse, misuse, accident, disaster, failure to clean nozzles, non-AMI authorized modifications, or use of fluids which were not manufactured or distributed by AMI will not be covered in the warranty.

Customers are responsible for freight both ways. Customers will be invoiced if the repairs needed do not fall under warranty.
